This workshop will help you gain knowledge about that bigger plan, help you to understand your part in that plan and enable you to fulfil your purpose. It will provide you with tools, **based on the Word of God**, to not only overcome your current and future challenges but also help you become a solution to those around you.

CHAPTER 2: CHRIST'S PURPOSE IN EARTH

SECTION B: BUILDING CHRIST IN THIS EARTH

PLEASE REMEMBER:

- This course is all about activation. It must move every person to action. The function of this course is to help people live and fulfill their purpose.
- This course is here to help people in many different ways. The tools they will be provided with, will be explained throughout the content.
- This course is strategic. Whether we call it *equipping of the Saints*, or *discipleship*, one of the flaws of many processes is that it makes people dependent on the person helping them.
- The focus of this course is to make people independent yet interconnected. This is critical to understand!

TOPICS AND QUESTIONS COVERED IN THIS SECTION:

- Reality
- End times
- Manifesting God's presence
- Manifesting Christ in the Old Testament
- YouTube Video – **Chapter 2, section B** (duration 41 minutes)

1. REALITY

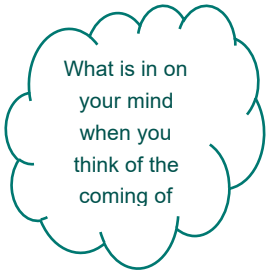

Key points:

1. We are “building” God’s presence in this earth
2. The vision that Daniel saw is a clear indication that Christ (The Body) will be established unto dominion in this earth – not only in heaven.
3. What we need to achieve now, in this dispensation, has not been seen in this earth yet.
4. We need to respond to reality – that is, what the Word of God says about His intention and His instruction.
5. It will require that we replace our thinking with God’s realities

2. END TIMES

Key Points:

1. The Word contradicts some of the general rapture theories:
 - a) This world doesn’t just come to an end and then we go to heaven.
 - b) There are different dispensations/ages.
 - c) There will first be a 1000 years where we reign with Christ.
2. Christ is coming back when we have established the Body of Christ and the Head coming to meet with His Body.
3. The saving action/fulfilment is the Body of Christ coming into its position in earth.
4. Christ, as a whole Being – Head and Body is not coming from heaven.
5. Christ is coming from within the earth.
6. Only the Head is coming from heaven.
7. The Head will come when the size of the Body fits the Head.
8. We will manifest Christ in earth first.

What is in on
your mind
when you
think of the
coming of

3. MANIFESTING GOD'S PRESENCE

Key Points:

1. People live as if there is only one dispensation, one age, one time, one function – we live, we suffer, Jesus comes, and we go to heaven. It does not happen that way.
2. There are dispensations & ages to come
3. We are the ones who will determine when Jesus is coming.
4. If God wants to establish Himself in earth, He wants His presence to grow into a position of dominion.
5. By the time Jesus comes, the Christians in this earth are going to be a powerful force.
6. This Body of Christ will destroy many Kingdoms and come into a position of authority in earth
7. The fake life in Christ: religion, denominational rules and traditions, dead works, trying to keep the law – has restricted people's minds from opening themselves up to say, 'there is something more.'
8. There's no replacement for obedience. We must allow Him to be God and to function through us.
9. Never pray for the anointing. God said, "do what I tell you to do, and when you get there the anointing will be waiting for you."
10. If manifesting Christ was humanly possible, it would have been done already.
11. God is seeking true worshippers that will worship Him in Spirit and in Truth.
12. That truth being reality, His reality, not our perception of reality, as we don't fully see reality yet.
13. If reality was based on our perception, we will never be able to fully establish God's reality.
14. It will be given life by the Spirit not by my own ability.

4. MANIFESTING CHRIST IN THE OLD TESTAMENT

Key points:

1. The benefits of Christ were present in the Old Testament as well.
2. The fullness could not be manifested yet.
3. Christ was not manifested in earth yet, but He existed in the Spiritual realm.
4. By adhering to the law, they received many benefits.
5. It was a limited way to access the benefits of the Christ anointing.
6. The laws of Moses were the connection of Israel to the Christ anointing.
7. It was dependent on their doing.
8. Christ is the manifested presence of God in this earth.
9. The Christ anointing is the ability or results of the manifested presence.
10. The results in the Old Testament, which is a shadow, can at least be an indication of the minimum starting point.
11. The Israelites carried their own atmosphere.
12. The atmosphere was:
 - a) The manifested presence of God in earth or;
 - b) Ability of the manifested presence of God in this earth or;
 - c) Christ anointing.
13. In that atmosphere, nobody was sick or poor and their clothes and shoes never wore out. They had food and water whenever they needed it.
14. Another example of the results of the presence of God was the Ark of the Covenant itself.
(See 2 Sam 6:11-12)

Old Testament Examples

¹Moreover, brethren, I do not want you to be unaware that all our fathers were under the cloud, all passed through the sea, ² all were baptized into Moses in the cloud and in the sea, ³ all ate the same spiritual food, ⁴ and all drank the same spiritual drink. For they drank of that spiritual Rock that followed them, and that Rock was Christ.
